Butte Trails Missoula In Class A; B Crown Goes to Eureka

In a tight, spectacular Interscholastic Track Meet, which was highlighted by the two-mile triumph of Greg Rice, world's champion distance runner, over his closest competitors, Mel Trutt and Dixie Garner, Missoula High school, who led the field for the greater part of the afternoon, overcame strong bids by Butte High school, Billings, Great Falls and Helena, to win the track crown for the third successive year. Eureka took the Class B title.

Dixie Garner, Pacific coast record-holder, was second, and Mel Trutt, Big Ten conference champion, third, in the special event that Rice paced all the way. Time was 9:13.1, considerably over Rice's record of 8:51.1.

After preliminary jockeying for position Rice took a lead which he never relinquished. Time at the mile mark was 4:34 and at the three-quarter mark, 7:00.

Two new records were set today as F. Trankle, Billings eclipsed the 4:33.8 mile mark set in 1935 by Rice by three-tenths of a second, and Dan Yovetich, Butte, beat the 220-yard low hurdles mark of 23.1, which he had tied yesterday. His time was 22.8 seconds.

THE OLD EDITORS WRITE THEIR FINAL "30"

As the masthead of the next issue of the Kaimin will contain some new names, we adhere to tradition and write this, our swan-song editorial, to our successor, Bill Bellingham, in whom we have the utmost confidence.

While there is not much we can tell you in this space, Bill, we can remind you of a few things. The most important thing to remember is that the Kaimin is written for the students. A little story about a student is more eagerly read than is the long story about a professor's important research work. However, while you should try to give the campus what it wants, you should keep the fact in mind that the Kaimin is distributed throughout the state and that stories you and the students think are interesting and harmless might hurt the university.

When you are confronted with "touchy" stories, report the factual news without fear or favor, and regard everything impartially and critically. Invite criticism, because intelligent criticism is the basis for improvement, and improvement should be your goal. Keep your columns open to the students; encourage them to express themselves.

Concentrate on maintaining the co-operation of your staff and the men you work with, for such co-operation is essential to a successful paper.

Take the Kaimin seriously, but not yourself, and when you write your farewell next year, we hope you say as we do now—we enjoyed the experience and reluctantly write "30".

St. Regis Jumps Into Lead In Class B Competition

Nichols of Stevensville Places First in Mile; Lutz Wins Shot Put Event for Nashua; Ten Men Tie in Pole Vault

Finals in four Interscholastic events were run off in the Class B meet yesterday along with the heats in the dashes. St. Regis piled up eight points to take the lead for the day.

Stevensville and Nashua tied for second with five points. Ronan and Belt both scored four points and Polson and Whitehall made three each.

Chittick, Belt, took second; R. Davenport, Polson, third; H. Sitzman, Park City, fourth, and R. Marsh, Superior, fifth.

Class A Entrants Smash Two State Records

Yovetich of Butte Breaks High Hurdle Mark, Ties Record in Lows; Hinton Cracks Discus Figure; Jacobson Ties Rice's Time

Opening day of the thirty-eighth annual Interscholastic track meet saw two state records established and two more equaled. Missoula high took an early lead in the meet with a good showing in the field events and distance runs. The Spartans totaled 20½ points; Helena 15, Park County 6, Butte ½, Billings 5, and Dawson County 4.

Danny Yovetich, Butte high, stepped the 120-yard high hurdles in 14.9 seconds to win the first heat and set a new record. The time was Yovetich's fastest in the highs, although he had unofficially broken the record in dual meets. Bob Larielle, Missoula, equaled the former record when he won the first heat in 15.6 seconds.

Ties Low Hurdle Record

Yovetich also equaled the state record in the 200-yard low hurdles when he won his heat in 23.1 seconds.

G. Hinton, Missoula, shattered the old discus mark when he tossed the plate 142 feet 7½ inches to top the list. In this event, which was won by D. O'Neil and B. Maras, both Helena, took second and third. Adams, Billings, copped fourth; Stachwick, Park County, fifth. Greg Rice's half-mile record of 2 minutes 1.3 seconds, established in

1935, was equaled when H. Jacobson, Missoula, running ahead of a large number of entries, put on a burst of speed in the stretch to break the tape well ahead of the pack. The race was final for the half-mile event. R. Calkins, Dawson County, took second; B. Keefe, Billings, third; D. Britton, Great Falls, fourth, and L. Vigus, Butte, fifth.

Stachwick Wins First

T. Stachwick won first honors in the final shot put. His best distance was 49 feet 3¾ inches. Second went to A. Martello, Helena; third to B.

YOU BET I SMOKE CAMELS. THEY BURN SLOWER AND SMOKE EXTRA MILD

Important to any smoker . . . to you . . . no matter how much you smoke . . . because this extra mildness is in the smoke itself. After all, it's the *smoke* you smoke.

And Camels give you less nicotine in the smoke than any of the other 4 largest-selling brands tested . . . 28% less than the average of the other brands.

Even if you're only an occasional smoker, you'll find Camel's extra mildness—extra freedom from nicotine in the smoke—can add to your smoking enjoyment. Switch to Camels now! Smoke out the facts for yourself. The *smoke's* the thing!
